Listening to the Voice of the Customer

OCTOBER 16-17, 2019 – CHICAGO, IL

Why do people call this the best training they've been to in 10 years? Sign up and find out for yourself.

Join Applied Marketing Science (AMS) on October 16-17, 2019 in Chicago, IL for our acclaimed workshop "Listening to the Voice of the Customer."

Led by veteran product development and market research experts, Gerry Katz and Andrea Ruttenberg, this course will introduce Voice of the Customer (VOC) market research and teach you how to use it to accelerate innovation in your business. The course is delivered in a lively, interactive format with numerous hands-on activities. You will learn how to:

- Scope an effective study
- Choose the right customers to interview
- Structure and ask the right questions
- Analyze customer interviews to extract customer needs
- Use quantitative methodologies to prioritize needs for product development

Enrollment is limited to 25 participants to maintain a seminar format and encourage participation. To reserve a spot in this course today, visit <https://ams-insights.com/training-coaching/upcoming-workshops/listening-voice-customer-chicago-2019/> or call Kelly Dudenhoeffer at (781) 250-6306.
